

Enrico Liscio, Ph.D.

✉ e.liscio@tudelft.nl

🎓 Enrico Liscio

🌐 Enrico Liscio

🌐 enricoliscio.github.io

📍 Rijswijk, ZH, the Netherlands

Education

- 2020/03 – 2024/03 **Cum laude PhD**, TU Delft, Artificial Intelligence.
- 2015/09 – 2017/09 **Cum laude MSc**, TU Delft, Systems & Control (funded by Excellence Scholarship).
- 2012/09 – 2015/07 **Cum laude BSc**, Università degli Studi di Bologna, Automation Engineering.

Employment

- 2027/01 – 2029/12 **Postdoctoral researcher**, VU Amsterdam, CLTL group (planned). Veni grant on “Inference-Time Value Alignment in Multi-Turn Language Model Interaction”.
- 2024/03 – 2026/12 **Postdoctoral researcher**, TU Delft & AlgoSoc Consortium. Investigating how language models can recognize and convey morality and human values in media.
- 2022/10 – 2022/12 **Visiting researcher**, IIIA-CSIC (Spain). Value inference in sociotechnical systems (see AAMAS ’23 publication). Supported by TAILOR Connectivity fund travel grant.
- 2020/03 – 2024/03 **PhD researcher**, TU Delft & Hybrid Intelligence Centre. Developing hybrid human-AI NLP methods to guide AI agents to estimate human values from text.
- 2017/09 – 2020/03 **Project Lead & Deep learning developer**, Fizyr. Developing deep learning vision algorithms for autonomous grasping in the logistics industry.

Grants

- 2025 **NWO Veni**, “Inference-Time Value Alignment in Multi-Turn Language Model Interaction.”
- 2022 **TAILOR Connectivity Fund**, Travel grant to visit IIIA-CSIC, EU Horizon 2020.

Teaching & Supervision

- 2021 – **Student supervision**, 20 BSc and 8 MSc thesis projects, yielding several *ACL publications.
- 2026 – **University Teaching Qualification**, Supervise (completed) and Teach module (in progress).
Natural Language Processing, DSAIT MSc, TU Delft.
- 2025 – **NLP for Society**, DSAIT MSc, TU Delft.
Intro to LLMs, Hybrid Intelligence & AlgoSoc Consortia.
- 2022 – 2024 **Introduction to Artificial Neural Networks**, Computer Science BSc, TU Delft.
- 2021 – 2023 **Human Values in AI** (part of Collaborative AI course), Computer Science BSc, TU Delft.

Societal Outreach

- 2026 **News is More than a Collection of Facts**, AllSides [blog post](#).
News is More than a Collection of Facts, TU Delft promotional video (to appear soon).
- 2025 **Context-Specific Value Inference via Hybrid Intelligence**, Hybrid Society [podcast](#).
- 2024 **NLP for (un)structured Data Analysis**, Red Cross 510 Initiative, the Hague.
- 2023 **The Impact of AI on Architecture**, BNA (National Architect Association), Amsterdam.
- 2017 – 2020 **AI, explained**, a series of [YouTube videos](#) on AI’s promise and dangers.

Invited Talks

- 2026 **Aligning LLMs: From Human Values to Model Behavior**, SIAS, University of Amsterdam.
Aligning LLMs: From Human Values to Model Behavior, TNO.
Behind the Curtains of LLMs: Boring Details, Major Consequences, TPM, TU Delft.
- 2024 **Context-Specific Value Inference via Hybrid Intelligence**, City University of London.
Context-Specific Value Inference via Hybrid Intelligence, Bocconi University, Milan.
- 2023 **Understanding Humans' Values in a Human-AI Society**, TAILOR European Network.
- 2022 **Estimating Context-Specific Values from Natural Language**, North Carolina State University.
Estimating Human Values from Language, IIIA-CSIC, Barcelona.

Awards

- 2025 **Best Poster Award**, TU Delft AI Symposium.
- 2022 **Best Paper & Best Poster Award**, HHAI 2022.
Reproducibility Badge, NAACL 2022.
- 2015 – 2017 **Excellence Scholarship**, TU Delft Robotics Institute, full MSc tuition and stipend.
- 2011 – 2014 **Excellence Scholarship**, ENASARCO scholarship.

Organizational leadership

- 2025 – 2026 **HI-AlgoSoc workshop**, lead organizer of a joint workshop between gravitation consortia.
- 2023 – **NLP4HI special interest group**, Hybrid Intelligence consortium.
- 2023 – 2025 **Citizen-Centric AI Systems seminar series**, co-organizer.
- 2020 **BNAIC**, volunteer.

Conferences

- 2026 **EMNLP**, Lead author and presenter.
- 2025 **COLM, ALGOSOC, ECAI**, Lead author and presenter.
- 2024 **EACL, EDDY, BNAIC**, Lead author and presenter.
- 2023 **ACL, AAMAS, BNAIC**, Lead author and presenter.
- 2022 **NAACL, HHAI**, Lead author and presenter.
- 2021 **AAMAS**, Lead author and presenter.

Experience

Skills

- Languages Italian (mother tongue), English (C1 level), **Dutch (B2 level)**, French (B1 level)
- Development Linux, Python, PyTorch, SQLite
- Presentation $\LaTeX$, Adobe Illustrator, Adobe InDesign

Extra-Curricular

- 2024 – **Dad**, home, frontline.
- 2016 – **Sports**, Volleyball (D.S.V.V. Punch, 2016–2018; Inter Rijswijk, 2021–2024); Tennis (2025–).
- 2015 – 2020 **Improvisational Theater**, Delft Improv Group (board member 2016–2018).
